Hi Dan,

I will start the process of switching over the funding to the equipment purchases.

The new service has not started yet, right? If not, I will switch over the entire amount.

Hi Claire,

Apologies for the delayed response.

If you could follow up with DC supply that would be good. I can try to contact them later today, but we are in the middle of reconfiguring our network to allow access to new systems at Regional Hospital.

Thanks!

Hi Dan,

Have you heard anything from DC Supply about their USAC id application? If you give me the name of the person (I see Sunny is the rep listed on the invoice) I can chase the info down. I see a DC systems and DC Enterprises in the database - could they possibly be under a different name?

Thanks,  
Claire

Hi Dan,

USAC said that SPIN IDs take no longer than 10 business days, so you might want to check in with DC and see if they have heard anything. Once I receive the number, I can start the process.

Thank you,
